CONFERENCE OVERVIEW

Description:

Today's children are overfed but undernourished. It is important that children receive adequate nutrients for growth and development. After attending this conference participants will be able to:

1. Identify common myths and misperceptions about foods and beverages.
2. Understand the new changes made to the federal nutrition standards.
3. Understand the health and academic benefits of breakfast in the classroom.
4. Identify creative ways to increase nutrient-rich food consumption in school cafeterias.

Target Audience: Registered Dietitians, Pediatricians and School Nutrition Administrators. Health and human service professionals and advocates from the fields of public health, fitness, nutrition, health, education, and related disciplines are welcome to attend the conference.

Registration Fee: The non-refundable conference registration fee is \$75.00 with a \$40.00 student rate. Make check payable to: ADADC.

Deadline!

**Please submit your registration
form and fee by April 12, 2012.**
